

Ethos of CHI INNOVATE 2024 themed Sustainability in Healthcare

Healthcare's sacred duty is to "Do No Harm" as we provide care for our patients; But this very duty has inflicted harm on the environment.

If Healthcare were a country, we would be Earth's 4th largest carbon emitter.

At the same time, the climate crisis is also a healthcare crisis. The effects of global warming will bring an even larger tsunami of patients to our doors in the future.

CHI INNOVATE 2024, under the banner of "Sustainability in Healthcare", will explore our relationship with our environment, while seeking innovative solutions to inspire and galvanise us to be 'good ancestors'.

As a conference, we also aim to be an event with strong sustainable practices.

Join us on 04 & 05 July 2024 as we pledge our oath to extend our healing touch not just to patients but to the planet we call home.

DAY 1: 04 July 2024	
8.25am – 9.25am (SGT)	Registration & Breakfast Networking
9.25am – 9.40am (SGT)	Opening of CHI INNOVATE 2024 (D1) Co-Hosted by A/Prof Wong Hon Tym Clinical Director Centre for Healthcare Innovation Tamsin Greulich-Smith Director, School of X DesignSingapore Council
How will the Climate Crisis Affect Health & Healthcare? <i>Step into the space where we unravel the complex interplay between nature and human health.</i> <i>How will a 1.5 degree celsius increase in global temperature affect the health of populations?</i> <i>What emerging trends in medicine are attributable to global warming?</i> <i>And how has extreme weather affected healthcare services across the world?</i>	
9.40am – 10.00am (SGT)	CentreStage(s) ft. Rapid Fire Presentations

INNOVATE

SUSTAINABILITY IN HEALTHCARE

4-5 JULY
2024

10.00am – 10.25am (SGT)	CentreStage Speaker Sonia Roschnik Executive Director Geneva Sustainability Centre	
10.25am – 10.35am (SGT)	Opening Address by Guest of Honour	
10.35am – 10.40am (SGT)	Launch of Sustainability Academy <i>Officiated by</i> Guest of Honour	
10.40am – 11.00am (SGT)	National Healthcare Innovation & Productivity (HIP) Medals Award Ceremony <i>Presented by</i> Guest of Honour	CHI's Inaugural Innovation Challenge Commences
<div>How is Healthcare Contributing to the Climate Crisis? <i>As we explore the delicate balance between health and the environment, we confront an uncomfortable truth: the very industry designed to heal can also bring harm.</i> <i>Uncover the environmental footprint of healthcare practices: How have the pillars of healthcare - patient safety, quality improvement and infection control unintentionally led to more waste?</i> <i>Are there other aspects of healthcare delivery and consumption that are wasteful and unnecessary?</i> <i>And have we done enough to reduce our carbon footprint from our supply chain?</i></div>		
11.00am – 11.50am (SGT)	Panel Discussion: The Obstacles and Conflicts within Healthcare to be Green	CHI's Inaugural Innovation Challenge Continues
11.50am – 1.10pm (SGT)	Lunch	
<div>What is Being Done? <i>Prepare to be inspired by the innovative strides taken towards sustainable healthcare, gathered from both our local and overseas healthcare institutions as well as our industry partners.</i> <i>We'll showcase pioneering initiatives, from energy-efficient hospitals to waste reduction programmes, proving that the path to a healthier world is paved with sustainable practices.</i></div>
